

Early Birds, Night Owls & Holiday Hedgehogs Out Of School Care.
Est 2003

Weather warning!!!!!!

I am just writing to you to let you know that unless we have 5 foot of snow overnight!!!! Early Birds & Night owls will be open as normal 7.30am to 9am and again at 3pm to 6.30pm.

If your school is closed please text or email me to let me know. I am informed by Windhill, Northgate and St Joseph's quite early on as we are based at those schools. However I rely on parents/guardians to let me know about the other schools. So unless I hear from you I will assume your child is at school and requires picking up at normal times.

Please remember you have between 1 to 4 children to think about I have 330 to make sure I collect. It is much easier if you can let me know your child's requirements. (Rather than me ringing round)

We have had many problems with our website, but we will post each day on the document download page any updates. We may need to operate from one site all together so please check where we are running from before you set out to collect your child.

For instance we may not be able to operate from our St Josephs site as the pipes were frozen on Friday which means we had no running water.

If your school is shut can you also let me know if you would be interested in us providing all day childcare? If we have 20 or more children interested we would do all we could to open all day and help reduce disruption to your week. Could you also let me know what is the preferred method of getting hold of you, at any time. I.E email, text or phone call.

Many thanks for your co-operation.

Now all we need to do is pray for sunshine!!!!

Many thanks

Hayley lynskey
